# After installation - Activating licence

Go to System/Config (URL [http://YOUR\\_IP/system/config](http://YOUR_IP/system/config)) and check your licence. You can see something like this

Licence code: 0000-0000-0000-0000

Licence user: gviabcua

Licence type: free

Licence valid: 2099-08-15

Licence country: Україна

RELEASE: No new version

UPDATES: No fixes & features

It mean all ok
