- Install logrotate
- Install our config

Installation - STEP 4 - other settings

LOG ROTATION (RECOMENDED)

Install logrotate

```
1  sudo apt install logrotate
```

Install our config

```
1  sudo nano /etc/logrotate.d/grusher
```

And put it

```
/var/www/html/storage/logs/*.log {
  rotate 5
  daily
  compress
  missingok
  notifempty
}
/var/www/html/storage/logs/netmiko/*.log {
  rotate 5
  daily
  compress
  missingok
  notifempty
}
```

Restart service

```
sudo service logrotate restart
```
